THANK YOU FOR BUYING THE NAIL GLITTER AND GEM BY CONAIR™

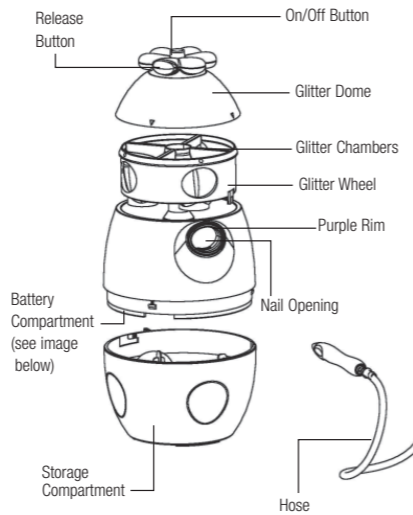

Everything you need to create super-cool nails beyond compare is contained in this kit. Nail Glitter and Gem works on your own nails (using adhesive) or plastic nails. It's quick and easy – just add shiny gems for a touch of glam, and finish with glitter for extra flair.

Before you begin, insert 2 AA alkaline batteries (not included) in the bottom of the storage compartment, then follow the simple steps to create fun nails!

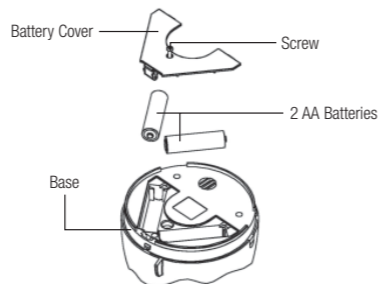

HOW TO INSTALL BATTERIES

1. Have an adult help with this.
2. Twist top and separate top from bottom.
3. Turn the top part upside down.
4. Use a small #1 Phillips head screwdriver to remove the screw holding the battery cover in place.
5. Insert 2 AA size alkaline batteries (not included) in the battery compartment, carefully noting the direction of the (+) and (-) symbols in the battery compartment.
6. Replace the battery cover and tighten the screw in place.

- Nail Glitter and Gem center

READ INSTRUCTIONS COMPLETELY BEFORE USING THE NAIL KIT

How to assemble:

1. Turn to unlock position and separate top from bottom. The base holds all the kit's contents. Install batteries. Refer to How to Install Batteries section.

2. Insert either end of the hose into the wand. **Note:** ends are the same.

3. Insert the other end of the hose into the unit.

How to add glitter:

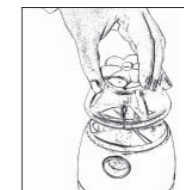

1. While pushing on the release button, lift the glitter dome.

2. The glitter wheel has four chambers for different colored glitter. Gently pour 1/4 of each color bottle into separate chambers.

Note: Only add glitter to three chambers. Leave one chamber empty. Do not over fill bar going across the chamber. Too much glitter in the chamber may prevent the unit from working well. Excess glitter may escape through the nail opening.

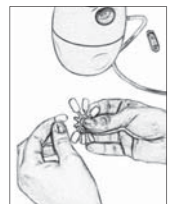

3. Place the glitter dome back on the unit. Align the two arrows to ensure that it is properly closed.

How to apply nails:

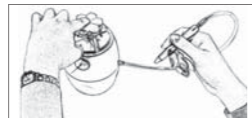

1. Peel off an adhesive strip to match your nail size.

2. Place adhesive strip on your fingernail and press firmly. Remove paper backing by pulling on the tab. **Note: If you do not want to use a plastic nail, gems and glitter can be applied directly onto the adhesive.**

3. Select a nail that fits your finger. With your parents' help, use scissors to remove the nail from the nail ring. Place firmly onto the adhesive. Add another matching size adhesive to the top of the nail.

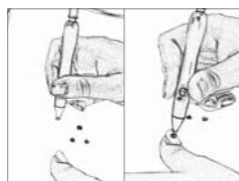

How to apply gems:

1. Turn the unit on by pressing the On/Off button on the top of the unit.

Caution: Do not pull off glitter dome while unit is on, as the glitter will fly everywhere.

2. Place you index finger over the hole on the wand. Place wand over gems and pick one up. Place gem firmly onto nail.

Remove your finger from the hole to release the gem onto nail.

How to apply glitter:

1. Rotate the glitter dome and wheel until you reach your desired color. Make sure the arrows of the glitter wheel and the nail opening are aligned. **Insert your finger in the nail opening and push the purple rim forward. You'll see the glitter cover your fingernail in a few seconds.**

Insert your finger in the nail opening and push the purple rim forward. You'll see the glitter cover your fingernail in a few seconds.

Slowly and carefully remove finger from nail opening and dust off excess glitter with brush.

Please note some glitter may come out as you push your nail in and out of the opening.

CARE AND CLEANING

1. The plastic nails should not be worn for more than 12 hours. Remove all nails and adhesives before bedtime.
2. To remove plastic nails, soak fingers in warm water for a few minutes and carefully take off nails. Do not remove when dry.
3. Wash hands thoroughly after removing plastic nails.
4. Do not bite plastic nails or put them in your mouth.
5. Do not touch your eyes with decorated nails.

HELPFUL HINTS

1. Always work on paper to protect surfaces.
2. Consult a physician if irritation occurs.
3. **Do not ingest or inhale glitter/gems.**
4. When replacing batteries, be sure to remove glitter from glitter chambers.
