INSTRUCTION BOOKLET FOR MODEL FB23RW

For your safety and continued enjoyment of this product, always read the instruction book carefully before using.
IMPORTANT SAFETY INSTRUCTIONS

When using an electrical appliance, basic precautions should always be followed, including the following: Read all instructions before using this appliance.

DANGER— To reduce the risk of electric shock:

1) Always unplug this appliance from the electrical outlet immediately after using and before cleaning.
2) Do not reach for an appliance that has fallen into water. Unplug immediately.
3) Do not use while bathing or in a shower.
4) Do not place or store appliance where it can fall or be pulled into a tub or sink.
   Do not place or drop into water or other liquid.

WARNING— To reduce the risk of burns, fire, electric shock, or injury to persons:

1) An appliance should never be left unattended when plugged in.
   Unplug from outlet when not in use, and before putting on or taking off parts.
2) Do not operate under blanket or pillow. Excessive heating can occur and cause fire, electric shock, or injury to persons.
3) This appliance should not be used by, on, or near children, or individuals with certain disabilities.
4) Use this appliance only for its intended use as described in this manual.
   Do not use attachments not recommended by Conair.
5) Never operate this appliance if it has a damaged cord or plug, if it is not working properly,
   if it has been dropped or damaged, or dropped into water. Return the appliance to a Conair Service Center for examination and repair.
6) Do not carry this appliance by supply cord or use cord as a handle.
7) Keep the cord away from heated surfaces.
8) Never operate the appliance with the air openings blocked. Keep the air openings free of lint, hair and other debris.
9) Never drop or insert any object into any opening.
10) To disconnect, turn all controls to the OFF position, then remove plug from the outlet.
11) Do not use outdoors.
12) Do not operate where aerosol (spray) products are being used or where oxygen is being administered.
13) Do not attempt to plug or unplug unit while feet are in the water.
14) Do not stand on or in the foot massager. Use only while seated. Place feet in massager and remove feet from massager only while in a seated position.
15) Never operate on a soft surface, such as a bed or couch, where air openings may be blocked.
16) Use or handle heated surface carefully. May cause serious burns. Do not use over sensitive skin areas or in the presence of poor circulation. The use of heat by children or incapacitated persons or persons with disabilities may be dangerous.
17) This appliance is designed for household use only.
18) To prevent scalding, never add boiling or steaming water to the foot spa.

OPERATING INSTRUCTIONS

To reduce the risk of electric shock, this appliance has a polarized plug (one blade is wider than the other). This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician to install the proper outlet. Do not change the plug in anyway.

CAUTIONS

- The Conair™ Ultra Massaging Foot Spa should not be used in the following cases unless directed by a physician: Tuberculosis, benign and malignant tumors, hemorrhages, inflammations of the skin, phlebitis and thrombosis, open and fresh wounds, bruises, broken skin or varicose veins, undetermined calf pain, or joint pain.
- Consult your physician if you have any questions regarding therapeutic use of this foot spa.
- Do not use before consulting your physician if you are experiencing unexplained pain or swollen muscles, or after you have had a serious muscular injury.
- Keep away from children.
• Discontinue use of appliance if pain increases or swelling occurs after application.
• If you are pregnant, please consult your physician before using.

USER MAINTENANCE INSTRUCTIONS
1) Make sure foot spa is in OFF position.
2) Place foot spa on floor, fill with warm or cold water, and plug into wall outlet. Never plug or unplug the foot spa while your feet are in water.
3) The heat setting is designed to maintain the temperature of warm water, not to heat water.
4) Sit in a chair and place your feet in the water. Never stand in foot spa.
5) To start, push any of the 4 touchpads. You can also use 2, 3, or all 4 touchpads at the same time.
   - left button: vibration/heat
   - center top: bubbles on/off
   - right button: water jets
   - center bottom: bubbles high/low plus heat
6) To turn OFF, simply push function touchpad controls again and disconnect from outlet.
7) Choose one of the 3 attachments for massaging treatment, and place on central spinning post.
8) Slide feet over removable rollers for a deep kneading massage. Rollers are removable – simply pick rollers out of grooves to remove.
9) To clean, make sure foot spa is in Off position and disconnected from outlet, and then rinse with water. (Never submerge unit in water.) Wipe with a damp cloth. Do not use any strong chemical cleaners or solvents such as benzine, harsh detergents or abrasives.
10) Foot spa can also be used as a dry foot massager without water.
11) Fill foot spa with warm or cold water to the level indicator MAX. Do not fill above water level indicator. Never overfill.
12) Pour water out of the foot spa from the line cord side only.
13) Gently wrap power cord around cord storage feet.
14) Do not hang unit from power cord.
15) Store unit in its box or in a clean, dry place.
SERVICING OF DOUBLE-INSULATED PRODUCTS
In a double-insulated product, two systems of insulation are provided instead of grounding. No grounding means is provided on a double-insulated product, nor should a means for grounding be added to the product.

Servicing a double-insulated product required extreme care and knowledge of the system, and should be done only by qualified service personnel. Replacement part for a double-insulated product must be identical to the parts they replace. A double-insulated product is marked with the words "DOUBLE INSULATION" or "DOUBLE INSULATED." The symbol (square within a square) may also be marked on the product.

PEDICURE INSTRUCTIONS
Choose one of the attachments for the pedicure treatment, and place it onto the post in the center of the foot massager.

RECOMMENDED MASSAGING TIMES
Generally, massage should not last longer than 10-15 minutes. Treatment may be applied once or twice daily as desired. Allow unit to cool before using again. As a person’s metabolism varies, so does his or her response to massage. You should adjust your massage time to suit your needs and personal comfort. If you have any concerns regarding treatment, we recommend you consult your physician.

Note: If you experience slight splashing while using the super bubble setting, just lower water level slightly to eliminate splashing.
