8. Ensure that your hands are dry when operating the controls or removing the plug.
9. Do not use while bathing or showering. Use only in a dry area.
10. Always unplug the unit from the electrical outlet immediately after using and before cleaning.

OPERATION
1. Make sure foot bath is in OFF position.
2. Place foot bath on floor, fill with warm or cold water to the level indicator “MAX”. Do not fill above water-level indicator. Never overfill. Plug into wall outlet. Never plug in or unplug the foot bath while your feet are in water.
3. The heat setting is designed to maintain the temperature of warm water, not to heat water.
4. Sit in a chair and place your feet in the water. Never stand in foot bath.
5. Push button to start.
6. Push button to OFF position after use and disconnect from outlet before emptying water. Empty water out of the side opposite side with control knobs.
7. Pour water out of the footbath from the side opposite the line cord only.
8. To clean foot bath, turn appliance off and unplug from outlet and then rinse with water. (Never submerge unit in water.) Wipe with a damp cloth. Do not use any strong chemical cleaners or solvents such as benzene, harsh detergents or abrasives.
9. This unit has no user-serviceable parts.
10. To store: Unplug the appliance from the outlet. Store in appliance box or a clean, dry place. To avoid breakage, do not wrap the power cord around the unit. Do not hang the unit by the cord.

LIMITED ONE YEAR WARRANTY
Conair will repair or replace (at our option) your unit free of charge for 12 months from the date of purchase if the appliance is defective in workmanship or materials.
To obtain service under this warranty, return the defective product to the service center listed below, together with your purchase receipt and $12.00 for postage and handling. California residents need only provide proof of purchase and should call 1-800-366-0937 for shipping instructions. In the absence of a purchase receipt, the warranty period shall be 12 months from the date of manufacture.

ANY IMPLIED WARRANTIES, OBLIGATIONS, OR LIABILITIES, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, SHALL BE LIMITED IN DURATION TO THE 12-MONTH DURATION OF THIS WRITTEN, LIMITED WARRANTY. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

IN NO EVENT SHALL CONAIR BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES FOR BREACH OF THIS OR ANY OTHER WARRANTY, EXPRESS OR IMPLIED, WHATSOEVER. Some states do not allow the exclusion or limitation of special, incidental, or consequential damages, so the above limitation may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.

Do not use if you have any of the following conditions:
- diabetes
- tuberculosis
- benign or malignant tumors
- burns
- broken
- swollen
- inflamed skin
- phlebitis
- ulcerated
- or thrombosis
- hemorrhages
- open or fresh wounds

If you experience any of the following conditions, discontinue use and consult your physician:
- unexplained pain
- swollen muscles
- pain in a muscle or joint for a prolonged period
- capacity to feel or have sensation in any part of the body is diminished

**IMPORTANT SAFETY INSTRUCTIONS**

SAVE THESE INSTRUCTIONS

DANGER

- To reduce the risk of death by electric shock:
  1. This appliance is not intended for use by children, persons with certain disabilities, or individuals who require supervision or assistance to use electrical appliances safely. 
  2. Do not use while bathing or near water. 
  3. Do not use in the presence of flammable or explosive vapors.

WARNING

- To reduce the risk of burns, electric shock, fire, or injury to persons:
  1. Do not attempt to plug in or unplug unit while feet are in the water. 
  2. Do not use outdoors.
  3. Do not use where aerosol (spray) products are being used or where oxygen is being administered.

**RECOMMENDED MASSAGING TIMES**

- Treatment may be applied once or twice daily as desired. Generally, massage should not last longer than 10–15 minutes.
- Allow unit to cool before using again.
- As a person’s metabolism varies, so does his or her response to massage. You should adjust your massage time to suit your needs and personal comfort.
- If you have any concerns regarding treatment, we recommend you consult your physician.

**MASSAGER INSTRUCTIONS**

- Place foot on massager. Move your foot around for more pressure and treatment.

- Treatment may be applied once or twice daily as desired. Generally, massage should not last longer than 10–15 minutes.
- Allow unit to cool before using again.
- As a person’s metabolism varies, so does his or her response to massage. You should adjust your massage time to suit your needs and personal comfort.
- If you have any concerns regarding treatment, we recommend you consult your physician.

- In a double-insulated product, two systems of insulation are provided instead of grounding. No grounding means is provided on a double-insulated product.
- Servicing a double-insulated product requires extreme care and knowledge of the system, and should be done only by qualified service personnel. Replacement parts for a double-insulated product must be identical to the parts they replace. A double-insulated product is marked with the words “DOUBLE INSULATION” or “DOUBLE INSULATED.” The symbol (square within a square) may also be marked on the product.

- To reduce the risk of electric shock, this appliance has a polarized plug (one blade is wider than the other). This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician to install the proper outlet. Do not change the plug in anyway. 

- To reduce the risk of burns, electrocution, fire or death by electric shock:
  1. This appliance is not intended for use by children, persons with certain disabilities, or individuals who require supervision or assistance to use electrical appliances safely.
  2. Do not use while bathing or near water.
  3. Do not place or store appliance where it can fall or be pulled into a tub or sink. Do not place or drop into water or other liquids.
  4. Never add boiling or steaming water to the foot bath.

- Unplug from outlet when not in use, and before putting on or taking off parts.

- Do not use on sensitive skin or in the presence of poor circulation. The use of this product on areas with poor circulation may be dangerous.

- Do not attempt to plug in or unplug unit while feet are in the water.

- Do not use if you have any of the following conditions:
- diabetes
- tuberculosis
- benign or malignant tumors
- burns
- broken
- swollen
- inflamed skin
- phlebitis
- ulcerated
- or thrombosis
- hemorrhages
- open or fresh wounds

- If you experience pain in a muscle or joint for a prolonged period, discontinue use and consult your physician. Persistent pain could be a symptom of a more serious condition.

- Do not use if you experience unexplained pain or swollen muscles.

- If you experience pain in a muscle or joint for a prolonged period, discontinue use and consult your physician. Persistent pain could be a symptom of a more serious condition.

- Do not attempt to plug in or unplug unit while feet are in the water.
