12. The appliance must be disconnected from running water or in a sink. Do not use hot water. Use only warm or cold water.

BATTERY DISPOSAL

This appliance contains a lithium-ion battery. To protect the environment, this appliance and its battery must be disposed of safely. At the end of its life, please take this appliance to a recycling center, where the internal rechargeable battery should be removed by a professional and recycled separately. For more information about the recycling of electrical and battery-operated appliances, please contact your local recycling or environmental protection office or your household waste disposal service. For specific questions regarding replacement of the battery in this product, please call our Conair Customer Care Line at 1-800-3-CONAIR.

To find the nearest recycling drop-off location, call 1-800-822-8837 or visit www.call2recycle.org/.
